## *What Are You Saving For?*

Members Credit Union is now offering a new savings account - the What Are You Saving For account (WAYSF). The new WAYSF account brings a whole new concept to saving. First, it gives you all the tools you need to be able to meet your savings goal: a generous dividend rate (**double the Regular Savings rate provided you make monthly net deposits totaling \$25 or more and receive your statement electronically**), budgeting tools, and a support network. Second, the WAYSF account gives out prizes - lots of prizes! You will receive monthly chances to win at least \$100, and you can even compete for a \$2,000 MCU 60 month share certificate in the semi-annual Biggest Saver Contest.

When a you open a WAYSF account you will be asked to state a savings goal - for example \$1,000 for a plasma TV or \$500 for a trip to the beach - it can be anything. We will help you determine how much you need to save to reach your goal or you may go to our blog [whatareyousavingfor.com](http://whatareyousavingfor.com) to calculate it on your own. Make it easy for your employees to access this blog by linking it to your intranet!

Each month we will be giving away at least \$100 in the WAYSF sweepstakes. If we open more than 100 WAYSF accounts in the month the sweepstakes winner will win \$1 for every account opened. For example, if there are 250 WAYSF accounts opened in April, the winner takes home \$250!

For every \$25 average daily balance in your WAYSF account you will receive one entry into the monthly sweepstakes drawing. For example, \$100 = 4 entries and \$1,000 = 40 entries. So the more you save the better chance you have to win! And, the more accounts that are opened during the month, the more you will win, so encourage friends and family to open a WAYSF account as well.

**Member:  
Goal:**

You can also enter our semi-annual Biggest Saver Contest for a chance to win a 60 month, \$2,000 share certificate. Simply post comments about what you are doing to reach your savings goal on our blog at [whatareyousavingfor.com](http://whatareyousavingfor.com) and you may be selected as a finalist in our

Biggest Saver Contest. Winners will be determined by member vote on the [whatareyousavingfor.com](http://whatareyousavingfor.com) blog.
