Meet Donna Stinson - New MEMCU Rep

Donna Stinson has joined Members Credit Union as our new MEMCU Insurance agency manager. Donna comes to the credit union with an extensive background in sales and customer service, which will serve her well as she works diligently to find members the best insurance coverage at the lowest possible price. MEMCU Insurance offers life, health, home, and auto insurance, as well as insurance for boats, motorcycles, and recreational vehicles. MEMCU Insurance can also provide insurance for disability, cancer, and long term care.

For most people understanding the many different types of insurance and the proper amount of coverage needed can be both difficult and intimidating. Because of the complexity of this issue Donna will gladly visit your facility, in conjunction with a membership re-enrollment or simply on her own, to offer guidance and advice. She can also provide rate quotes on the spot to allow your employees to learn immediately how much money can be saved by switching to MEMCU Insurance.

To schedule a time for Donna to meet with your employees call her directly at 800-951-8000 extension 141, or you may call Reneé Fisher (extension 148) to set up a member re-enrollment and insurance informational session.
