MEMCU Insurance Has it ALL

By now you realize that MEMCU Insurance, the credit union's own insurance agency formed in February of this year, can help you with all of your insurance needs. By contacting multiple insurance carriers we search for the best possible premium for your home, life, and auto insurance needs. By working with so many different insurance companies we can compare premiums and service to match you with the insurance company that best fits your needs.

But you may not know that MEMCU Insurance offers much more than auto, home, and life insurance. At MEMCU Insurance you can also purchase insurance to cover any type of recreation vehicle, in-

cluding RVs, campers and travel trailers, ATVs, and boats and other watercraft. For your home you may purchase mortgage protection insurance and flood insurance. MEMCU also insures modular and mobile homes, as well as providing renter's insurance for those that do not own their home. Health related insurance policies that MEMCU can underwrite for you include accident, cancer, disability and critical illness. Identity theft protection and roadside assistance programs are also available. MEMCU can even provide pet insurance!

To learn more visit memcuinsurance.com or call our licensed insurance agent, Karen Tuggle, at 1-800-951-8000, ext. 141, for a free, no obligation rate quote.

Lunch and Learn Seminars

Members Credit Union offers a variety of lunch and learn financial seminars for the convenience of your staff. Some seminar topics that we can provide include:

- A basic overview of credit union product and services.
- How to protect yourself from identity theft and what to do if you become a victim.
- Basic tips on budgeting and saving.
- Financial planning and retirement advice from our MEMBERS Financial Representative.
- The dos and don'ts of home-buying provided by our first mortgage partners, W. R. Starkey.
- Insurance - what do you need and how much you should purchase?

The credit union will provide lunch (pizza, sandwiches, etc.) and a t-shirt for all of the attendees. The seminars will include a short Power Point presentation and a question and answer session afterwards. The length of the presentation can be tailored to fit your needs - as short as 30 minutes or as long as an hour. The topics listed are just a sample of what we can provide. If you have a specific financial topic not listed that you would like discussed please let us know.

For more information about our lunch and learn seminars please contact Eric Stiff at 800-951-8000, ext. 134.

\$100 Gift Card Winner

Danielle Miller, of Quickie Manufacturing in Lumberton, is our third winner of a \$100 Visa Gift Card. She was randomly chosen in our bi-monthly drawing among all sponsor representatives who invited the Credit Union for an on-site enrollment. Danielle was selected from over 20 representatives who allowed us to visit their facilities in July or August.

To be entered into the last \$100 Visa Gift Card giveaway that will occur in November, simply invite us to your company for an enrollment. We will set up in your break room or cafeteria to meet with your employees to answer questions, make changes to existing accounts, and enroll new members. We are available to work any and all shifts. Just call us and we'll be there.

Remember, you are automatically entered into our year-end drawing for a \$500 Visa Gift Card provided you have invited the credit union to your facility for

an on-site enrollment anytime during the year. The grand prize drawing will be held November 17.

Call Donna Henry at 1-800-951-8000 ext. 138, or Reneé Fisher at extension 148 for more information or if you would like to schedule a visit.
