

Members Credit Union Schedule of Fees
February 1, 2018

The following is a schedule of our fees for various services. We generally impose fees only to recover our expenses. As part owners of a not-for-profit cooperative members have the responsibility of sharing reasonable operating expenses pertaining to their individual accounts.

SERVICE	FEE	HOW TO AVOID THE FEE
VARIOUS SAVINGS ACCOUNTS		
Excess Withdrawal.....	\$3.00 ea.	Allow your savings to accumulate. Set your deduction at an amount you can "afford" to save without making withdrawals.
(The first three withdrawals each month are at no cost. The fee applies to each withdrawal after three in any month on share, Christmas Club, trust, custodian, and money market accounts, but only if the account balance is less than \$300. Does not apply to transfers. This fee is also charged on Super 60 Savings withdrawals in excess of two per month.)		
Low Balance	\$3.00 / mo.	Keep at least a \$25 balance at all times to preserve your membership.
(Applies to share, checking, trust, custodian, money market, and Super 60 accounts, only if month-end balance is less than \$25.00. Does not apply to new accounts in the month opened.)		
Returned Mail	\$5.00 ea. item	Keep us informed when you relocate. It's costly for us to send mail, have it returned, then research to find your current address. Perform at least one transaction per year. Dividends aren't considered transactions.
(Assessed to recover postage and postal fees on items we have mailed to members who have failed to provide us with a correct address.)		
Escheat Fee	\$30.00	Enroll in our electronic statement product eStatements.
(Charged when account has been inactive for five years and becomes escheatable.)
